

# We are fully Gas Safe registered and we hold full public and employee liability insurance

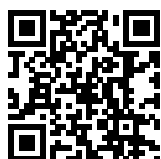

Location **London, London**  
<https://www.freeadsz.co.uk/x-447329-z>

Here at London & Essex Heating all our engineers are Worcester, Vaillant and Ideal boiler approved installers. This means we have been specially selected to work with there boilers, we have been further trained on there products and services. In return we can offer our customers extra extended warranty periods over non approved companies giving a more bespoke job and peace of mind for you knowing we have the backing of 3 of the biggest brands in the boiler industry!. If you're planning to create a new bathroom or simply install a new bathroom suite for old, then we can help and advise right down to the tiling! London & Essex Heating Ltd will provide you with a free quote for all the works right down to the tiling. We can supply and fit your new suite, add heated towel rails, fit both floor and wall tiling, ensure that electrical installation is safe and secure, paint and decorate, plaster walls and ceilings to get you the very best finish. We can also install designer 'wet rooms' with underfloor heating, disabled bathrooms, Ensuite's and WC's. Our excellent team of qualified Plumbers, builders, plasterers, electricians, tilers, painters and decorators will help you every step along the way. We will expertly design your space, for free, with products quality products designed to suit your budget. ;
