

LDV convoy. MOT Aug 03917 (30 GBP)

Location **South East, Berkshire**
<https://www.freeadsz.co.uk/x-447381-z>

Lovely ex royal mail LDV Convoy (high and long) camper van for sale. Very (VERY!!) sad sale as many lovely trips have been made in this beast but sadly I don't drive and no longer in a partnership with someone who can.

The camper has one double bed at the rear which converts to a sofa and side seats. One single bed which converts to a bench seat. Both have storage underneath.

There is ample storage in the built in cabinets as well as on the extended bulkhead (which can also be a berth if desired).

Flush led lighting in the ceiling and two outdoor floodlights which connect to the two leisure batteries (provided). Was initially hooked up to a relay switch but that stopped working after two runs so can be replaced otherwise a battery charger will be supplied.

MOT til august 2017

Brakes may need attention as ex mentioned they weren't as efficient.

Really great van and absolutely mortified to be selling it as a lot of love went in to building it for future adventures.

Included in sale:

- Halfords 12v 40L fridge
- Awning rail (fitted)
- Awning
- Inner tent
- Leisure batteries

- Firewood
