"Victor and Albert have been delighting the audiences of England's fair shires for more than three years now. Growing ever stronger in popularity, these two chaps can entertain and delight a crowd for an entire evening and leave them crying for more at the end of the night.

With songs of joy and merriment, and the odd double-entendre, the old chaps have a penchant for distracting any crowd from distraction itself and leaving entire villages and communities uplifted with their sides aching.

Musical comedy is their speciality. For a fun-packed evening of entertainment, slap-stick, audience-participation and non-stop belly laughs, you should look no further! Victor and Albert have performed at the Edinburgh Fringe, at Sideshow (Leicester Sq Theatre), the Ghillie Dhu, The Cellar Door, The Pleasance Islington and numerous other venues and private parties.
