

Lean Six Sigma YELLOW BELT Training and Certification

Location **North, Cheshire**
<https://www.freeadsz.co.uk/x-447466-z>

KaizenKulture offers a Lean Six Sigma YELLOW BELT Training Program. This training course provides candidates with easy to understand and implement problem solving tools such as the automotive industry standard 8D approach. Professionals also apply Lean tools using a real life scenario, role play and process simulation. The Six Sigma problem solving strategy to reduce process variation, concentrates on concepts such as DMAIC- Define Measure Analyse Improve Control. Our approach empowers specialists to influence information picked up for quick effect from day 1 back in the business. Contact us: Kaizen Kulture Suite 128, Courthill House, 60 Water Lane, Wilmslow, England, UK SK9 5AJ
