Very attractive and collectable German €5 euro coin. This new coin is not only the first ever €5 coin to be released by Germany, it is also the world's first coin to be made with a special combination of metal and polymer components to prevent counterfeiting. This coin is in a BUNC condition and comes protected protected in a plastic capsule. This coin was sold out at the banks within the first 4 days of being made available to the public and such was the demand it was limited to one per customer per day! Its specifications are as follows: Date of issue: 14 April 2016

Obverse design: Stefan Klein

Reverse design: Alina Hoyer

Edge inscription: BLAUER PLANET EARTH (Blue Planet Earth)

Material: Copper and nickel, polymer

Quality: Brilliant uncirculated

Diameter: 27.25mm

Weight: 9.00g

Mints: Berlin (A), Munich (D), Stuttgart (F), Karlsruhe(G), Hamburg(J)

Each mint will produce the polymer ring with a different shade of blue. The coins I have to offer were minted in Karlsruhe (G)

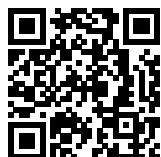

I can post the coins at an additional cost of £2.06 for First Class Signed for or £6.45 for next day delivery by 1pm, fully insured and with tracking info and proof of postage etc. (Next day delivery doesn't include Saturday).

Due to new release price frenzies steadying out, I have reduced the price by £10 to £39. So grab yourself a piece of German/European history. Please feel free to message me for further info.
