

Sofa, armchair and foot stall (200 GBP)

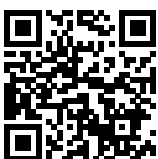

Location

East of England, Bedfordshire

<https://www.freeadsz.co.uk/x-447719-z>

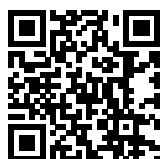

Only 2 years old, great condition the only downside is there's a small hard patch on one of the cushions but it's on the other side so you can't see it. I've taken a picture of it, it's not noticeable at all just too the touch. It's very comfy we're selling due to getting a corner sofa for new house. Collection only and £200 ONO needs to go
