MuddyFox BMX Bike. 20 inch wheels. (Suit age: 8 to 16 years).

----- Condition: Everything working as it should. There are a few scuff marks and scratches to the paintwork and graphics. There is just a small amount of rust on some steel parts like screws, and bolts, but nothing too serious to affect the overall performance of the bike. All my bikes have come in as trade ins from customers who have upgraded to another bike. Therefore, every bike I sell has been serviced by me whereby I go through a checklist of every component on the bicycle to make sure everything is working as it should be. On this bike, the brake cables both inner & outer were changed as a precaution, and I've fitted new tyres (see picture). ----- Specifications: Colour: Black
