Excellent condition for year. More photos available.
 1979 Kh100 el MOT till of Oct only made the KH 100 for 17 months, only 158 made and only 8 registered on the road and mine is the last one made back in Aug 1979.
 The bike is in stunning condition for nearly 38 years old.
 Recent overhaul and engine rebuild.
 I have all 5 original Kawasaki keys, everything works and starts first time with no faults or problems.
 A very rare and well maintained bike, it's done 16k also very rare number plate.
 engine number and frame match the bike is 100 percent original apart from the bar end mirror and modified front mudguard, balloon tracker tyre.
 The bike has its own oil mixture container so no need to pre mix !
 Cash on collection.
 No test rides ! No time wasters ! ;
