Zhenghong Global L Ltd is a recruitment consultancy, with clear objective to offer a range of services in Human Resources services to businesses, providing expert, professional recruitment services to find suitable candidates for a particular role in your business matching business and individual needs in recruitment. We offer wide range recruitment consultancy services for wide range of business sectors, providing innovative solutions to recruitment needs we can offer to assist with career or personnel requirements also. We offer a complete range of professional recruitment services, including permanent, contract and temporary positions and specialize in Headhunting, Retained Search, Outsource Recruitment / Managed Service, Interim / Contract Services, CV Selection / Contingency. We can handle recruitment assignments for UK's fastest growing companies in private sector and entrepreneurial-led businesses. We provide business with recruiting to culture-fit: uniting individual and organization ambitions and values to ensure optimum performance and results for both parties. Our recruitment bespoke service can support your organization's existing or non- existing HR department resources and provide reporting for your business need on all areas in training, and labour relations to ensure your business needs are developed to build a strong client base for growth and financial reward. We tailor fit each client's individual requirements; our level of involvement throughout the complete lifecycle is bespoke. For each assignment we undertake to target the market for our client and focus on the companies who have a similar culture and.
