This bath is in very good condition with no surface damage at all, having been part of an ensuite bathroom that has had only very occasional use. The bath is 1700 length, 800 width. The bath panel is plastic and has discoloured slightly. We are replacing only because the bathroom is being totally refurbished as a shower room. All items will be removed and will be available for collection on or after Thursday 10th November. Collection only, from Eastbourne, East Sussex, and payment on collection is preferred. The soap dish and corner shelf in the photo are not included in this.
