This is a great 2 birth van, it has served us well, MOT until June 2017, New Exhaust System, Part Service History Petrol Engine 1995cc
 Mileage 082837

- Can be double or twin bed
- Full electric hook up
- Lots of storage space
- TV Ariel & connection

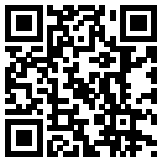

Also comes with a 12 volt inverter that charges off the main battery so ideal for, kettles, toasters & phone chargers etc

There is also an awning which we will include it is not in perfect condition but fine for summer use The van is in good condition for its age however there is some rust on the body work, this is not serious & could be repaired! The water pump for incoming water in the sink does not work but still drains away fine It is clean & neat inside, come & have a look or if you have any questions get in contact! We are looking to sell quickly hence why we have heavily reduced the price
