Auto Flair is a professional vehicle valeting company, committed to providing each and every client with an outstanding service, at an affordable price. Here at Auto Flair, we pride ourselves in the professionalism, knowledge and first class customer service we provide. All our services are fully guaranteed and insured, giving you piece of mind. You can rest assured that, whatever your requirement, your experience with us will be an outstanding one. Based in Chippenham, in Wiltshire, we offer a fully mobile service with all our vehicles fully equipped with both water and power so we can valet your vehicle wherever you need us to. We assist both corporate and commercial clients, the motor trade, and private clients in a variety of ways, covering roughly a 25 mile radius. Impressed with our service and want us to travel further, then just give us a call to discuss. Because we know how important your vehicle is to you, we use only industry leading products, such as AutoGlym, Dodo Juice and AutoSmart. This means that not only is your vehicle safe in our hands, but you can also expect the finish to be of the highest quality. With our continually expanding customer base and impressive feedback, we make your decision of whom to choose to care for your vehicle(s) an easy one. Our Facebook reviews speak for themselves! Why not give us a try, call us now on 07803.
