This beautiful 30th anniversary Kawasaki ZX6R is quite possibly one of the nicest sports bikes to hit our showroom floor, it comes in a stunning Kawasaki green, white and black finish and has only covered 2078 miles making it a very desirable machine to own! The Kawasaki ZX6R is in deed one of the best mid range super sports to hit our roads, with its brilliant updated 2013 636 engine, which stands it above the rest of its competition. This little beauty comes with Leo Vince exhaust system and Leo Vince carbon heat shield. It was last serviced on the 3/10/2014 at 524 miles and will receive a full annual service on its sale and the MOT doesn't need doing until 2017. The bike will also come with full HPI check and PDI. This is an incredible machine and well worth a.
