Thanks for looking at my listing! I am selling my Volkswagen Polo 1.2, year 2005 with only 26,000 miles on the clock!!!!!! 1 previous owner from new. The lady i bought it from used it for popping to the shops and going to church on a Sunday. The car has never had a thing go wrong, the interior is in immaculate smoke/smell free condition and the paintwork is in good condition with some minor wear conducive with age! it starts and runs beautifully, has been well maintained with regular services throughout its lifetime (service history present) with road tax & 6 month M.O.T. in August with a new tyre fitted! I live in Portslade, East Sussex and would be happy for anyone to come and view the car and see for yourself the great condition it is in. weekday evenings from 6:30 or weekends mornings are best, please contact me to arrange time before hand! If you have any questions or would like to know more about the car, feel free to send me a message or give me a call!!
