American Tourister Suitcase large with wheels and combination lock (20 GBP)

South East, West Sussex Location https://www.freeadsz.co.uk/x-450707-z

This is a rugged and very practical suitcase for the serious traveller and gives as much protection to your possessions as you are likely to get from a suitcase. It's a generous size 29 in x 23 in x 9 in, with a fully fitted clean interior and combination lock (4 numbers). It has wheels and two handles to tow or carry the case.

When new, this was an expensive item from a quality specialist shop - today it shows some marks of international travel but every bit as serviceable as the the day I bought it. The price recognises it's use, but even a brand new suitcase will be scuffed after a couple of flights. For the price it's a great buy for.
