the rover also has all previous m.o.t certificate's  
the rover is finished in the beautiful metallic platinum gold and shine's absolutely beautiful in the sunshine  
as you can see from the picture's,  
the rover is in absolutely stunning condition inside and out, it has never been smoked in or had pet's in ,  
the seat's are all in perfect condition with no sign's of wear, rip's or tear's etc...  
the rover drive's absolutely perfect just as good as it look's totally 100% with no issue's what so ever,  
alloy's are all in perfect condition with 4 brand new pirelli tyre's recently fitted,  
the rover is currently untaxed as it is up for sale but would need to be re-taxed anyway due to dvla law's,  
totally hpi clear,  
i have all paperwork for the rover such as  
v5 certificate (log book) current m.o.t certificate all previous m.o.t certificate's rover 75 owner's manual  
service record's etc... It's extremely rare to find, a low mileage, diesel, automatic estate Rover 75! .  
Powered by the superb 2.0 CDTi 135bhp BMW diesel engine, it's easy to understand why this is such a  
sought after model. It performs brilliantly, with the automatic transmission changing gear effortlessly, all  
done whilst in complete comfort! This particular example has been very well looked after, which is evident  
in the way it looks and drives. If you're looking for one of these, you really won't find better! These are  
becoming increasingly harder to find, particularly with this mileage! Comes supplied with 2 x keys, Full  
Service History  
These car's are becoming a modern day classic and are getting extremely rare to get hold of especially  
with these kind of mile's and in this kind of condition,  
i think i have pretty much covered everything but if anybody has any other question's please feel free to  
contact me,
