

Stunning Toy Maltese KC Puppies champion lines (1,400 GBP)

Location **North, Cheshire**

These are the most tiny gorgeous KC Registered puppies with champions in their lines. We get stopped every where we go with the mum people can't believe how and gorgeous she is. We searched for a long time to find the beautiful doll face with dark points.

These puppies will not malt and are great for people with allergies.

We own the mum who is a little 8" to shoulder Maltese and the dad is a KC registered 8" to shoulder beautiful little stud Maltese with the same doll face.

These gorgeous babies are being raised in our family home with our 4 children other dog and cat so they will be very well socialised and used to various household noises.

I'll update photos regularly. Boy 1 available £1400
