This 2015 Yamaha MT07 has only covered 784 miles from new by one lady owner. In super condition and has just had it's first service, Weighing just 179kg fuelled and ready to go, it's hard to believe the MT-07 has a steel frame and swingarm. That lack of weight makes the Yamaha easy to manage at low speed, maximizes braking performance, improves agility on the move and generally makes the MT-07 simple to ride, especially when matched to such a friendly engine. The lower mass helps fuel economy, too, so despite having a small 14-litre tank, Yamaha claims it can squeeze 207 miles between filling stations. And you'll be comfortable for all those miles, too. The riding position is natural, the bars are an easy reach and the foot pegs don't hurt knees. Specification, Engine size 689cc, Engine type Four-stroke, liquid-cooled DOHC, 8v parallel twin, Frame type Tubular steel, Fuel capacity 14 litres, Seat height 805mm, Bike weight 179kg, Front suspension 41mm forks, non-adjustable, Rear suspension Monoshock, adjustable spring preload, Front brake 2x282mm petal discs. Four-piston monobloc calipers, Rear brake 1x245mm petal disc, Single-piston caliper, Front tyre size 120/70ZR17, Rear tyre size 180/55ZR17, Brand: Yamaha, Condition:
