This Tempur King Size Double Bed and King Size Deluxe HD Mattress is the height of luxury with a beautiful padded headboard and four useful storage drawers in the divan base. Should it be required the clever base can be split into two separate single divans which can then be topped with individual mattresses (Note: single mattresses not included in this sale). As can be seen in the photographs, the mattress shows no perceptible wear and the whole package is in exceptionally good used condition. Selling because of an impending move from a large house into a much smaller flat. This whole package cost in excess of £3000 new. Buyer
