

Need any DIY or laminate fitter And Local base

Location

Yorkshire and the Humber, South Yorkshire

<https://www.freeadsz.co.uk/x-452131-z>

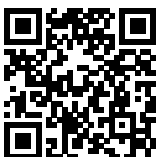

Hey guys, I'm seeking work to help people with any day to day jobs around the house/garden. Things like clearing up after old tenant leaving property, cleaning and tidying for properties to be LET.

I am a bricklayer by profession but not in the trade. I build small garden walls, spiral/circular flower pots for gardening lovers.

I work part time in retail(2 days a week), I'm available most days.

I can also do any DIY if needed like putting together any furniture, can fix almost anything that needs fixing, can put laminate down and painting.

Based in Sheffield mobile 07565164261. Reasonable and fair.
