Lovely little VW Polo for sale, it has the economical but very nippy 1.4 engine and has a long mot (27th June 2017). It also has a great remote control after market Sony CD Radio with Ipod, usb and auxiliary connections.

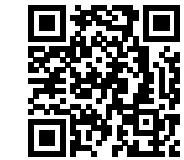

It has only covered 111000 miles, which for a VW is nothing, so should last the new owner a number of years, it does have a few little marks and scratches bur nothing that you wouldn't expect from a car of this age.

It had a new exhaust in 2013, has 4 good tyres with plenty of tread (around 4-5mm), has central locking, electric windows and mirrors, airbags etc.

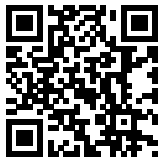

Any questions or to view the car please contact me through Friday Ad, or on my mobile 07516127956 075161279...(click to reveal full phone) .
