Selling on behalf of my fiancé , 2004 BMW 520 se , it has only had 3 owners from new and is currently on 122k miles ! It has service history and comes with 2 keys , fully serviced 200miles ago ! The car drives very well nice and smooth and refined as you would expect from a BMW ! The car has some stone chips on the front as you would expect of a car of that age and milage but besides that the body work and interior are brilliant ! The car has 2 months mot but I don't see why it wouldn't fly through the only reason We are selling is because my fiance wanted a diesel for her commute to Oxford , if you have any more questions or would like to view the car feel free to contact me;
