

Key Features: Water Capacity (80%): 13,807L Size: 15ft x 48in (4.57m x 1.22m) 800 gal./h Filter Pump
Pool Ladder Ground Cloth Pool Cover Just inflate ring & fill with water! **DESCRIPTION** This Bestway large family sized 15ft swimming pool is from Bestway's renowned range of quick and easy to set-up above ground pools, and is the larger of our two 15ft Fast Set™ Pools, with a depth of 48 inches and a large 13,807 litre capacity. Easy to set up Unlike in-ground swimming pools, which require weeks of tough digging, Fast Set™ inflatable swimming pools simply require a flat surface, water access and an hour of your time. You don't even need to use any joints or fittings! Simply inflate the ring, fill the pool with water and watch it grow with height and strength as it fills up. Once it's ready, the 800 gal filter pump, which comes with all hoses and attachments, keeps the water clean, along with the pool cover included, so you can keep it assembled in your garden for the whole of summer, ready for a dip at any time. Despite being unbelievably easy and quick, this pool also comes with an extremely useful set-up and maintenance DVD so you just can't go wrong. Easy to take down Bestway pools have an integrated flow control drain valve for easy draining, which attaches to the garden hose so your pool water can be drained away from your garden – no soggy lawn. And as an inflatable pool, it compress down to a tidy small size for easy storage. Lots of fun! Bestway 15ft Fast Set™ Pool makes a fantastic family swimming pool because it isn't too deep for children but still has plenty of room for mum or dad to enjoy swimming as well. Kids will love playing games outside all summer, and before they get home from school, you'll have time to get on the inflatable lounge enjoy a refreshing and relaxing float. Extremely quick and easy inflatable family fun this summer! Happy swimming! Durable Made with Bestway's trademarked Tri-Tech™ construction, this material features a 3 ply reinforced layering system; a polyester mesh core encased in two layers of

heavy gauge PVC, offering the utmost strength and durability. Latest Safety Standards As part of the European Commission's new safety standards for domestic pools, the Poolway was designed to join the ranks of European safety standards. With the new safety standards for domestic pools, and we are proud to participate in which means these standards will guarantee a higher quality and safety level for above ground pools than the norm. To ensure these standards for safety, our Poolway Set Pools have a safety outlet and a system to prevent any entrapment when the pool is in use and we have also completed a tear resistance test of our Tri-Tech liner to ensure maximum quality. Above pools also come with a ladder as a standard for easy access in and out of the pool. This is an above ground pool and as a result it is not suitable for building into the ground. Adult supervision recommended at all times when children are using pools. This Pool Was Bought And Never Set Up Or Therefore Used, It Is Just A Bit Too Big For My Garden, That's All. It cost and is still worth £299!
