Nearly new Qualcast lawnmower, purchased July 2016 and only used three times. No longer required due to change in circumstances (no fault or issue with the mower itself). Receipt has been retained and will be passed on along with manufacturer's guarantee. Product specification: This powerful 1600W mower features a Turbo Drive motor and a 37cm steel blade which provides AirLift grass collection technology for great cutting and collection performance. The ReadyBag grass collector folds for storage and is ready to go in seconds. No assembly required. Cutting heights are easily changed with a single large lever. 1600 watt electric rotary motor. Metal blade. 37cm blade width. 6 cutting heights. Cutting heights ranging from 2cm-7cm. 40 litre grass collection box. Height adjustable handle. Qualcast's unique Turbo Drive technology transforms the power of the motor into blade torque so as to maintain blade speed in all conditions and achieve the best finish and class-leading grass collection at all times. 10m power cable. Safety switch. Rear roller. Weight 14.
