

Used Bosch GSB 18V-LI combi drill for sale, which had some basic DIY use.
This is labelled as GSB 1800 and was sold by Screfix but is in fact the GSB 18V-LI unit with a 3Ah battery.
Comes in a case, with all manuals and still has approx 2y warranty left (3 years on unit) and ~ 1y for battery (2 years from new).
Charger is pretty quick 90min one.

Everything is still in full working order and it simply has some signs of use but nothing severe etc.. The 3Ah battery easily will last for all day of DIY jobs.

This is really capable and powerful combi and any small DIY jobs I had thrown at it were always no problem for it.

Torque, max. (hard/soft) 67 / 28 Nm
No-load speed (1st gear / 2nd gear) 0 – 500 / 1.700 rpm
Max. impact rate 25.500 bpm
Chuck capacity, min./max. 1,5 / 13 mm
Drill spindle thread 1/2"
Torque settings 18+1
Max. drilling diameter in wood 35 mm
Max. drilling diameter in steel 13 mm

Max. drilling diameter in masonry 13 mm

Bosch GSB 18V-Li Combi Hammer Drill amp 3Ah battery almost new
