

Commercial ipso washer (750 GBP)

Location **South East, Kent**

<https://www.freeadsz.co.uk/x-456347-z>

Excellent Fully working condition very reliable machine ideal for launderettes dry cleaners, in very good condition

Single phase washing machine, this machine is self standing and is in fully working operation.

I also have the water pipes which connects to the back of the washing machine to the water mains, this comes with the machine.

Bearings was changed 1 year ago

As well as the heating elements.
