Hello, well the time has come for these bundles of fun to embark on their new adventure.

We have 5 beautiful liver and white springer spaniel puppies 3 males and 2 females.
 They have been raised in a busy family home with children of all ages as well as dogs and cats.

I have tried to expose them to as many noises as possible inside and out. All the puppies will leave with:

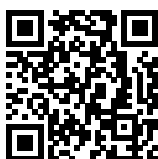

- * 1st Vaccination
- * Full veterinary health check
- * Microchipped
- * Wormed with Panacur (vet recommended)

and of course with heaps of love!

Mum is a liver and white KC registered English Springer Spaniel from a champion blood line. She has a lovely soft nature and is very loyal. Dad is a full English Springer Spaniel who did not come with papers. He also is lovely natured dog and a bit of a comedian.

£75 Non-Refundable deposit secures puppy.

Thank you for looking and I look forward to hearing from you soon.
