Hello, my name is Jamie and I work at Barmston Beach Holiday Park. My role here is to give all potential customers the information they need to make a decision on potentially owning a holiday home, I also assist the park and its caravan owners in selling and buying static caravans. At the moment there is no better time to buy here at Barmston beach with the fantastic offers we have with 2016/17 fee's included that means NO SITE FEE'S UNTIL 2018, a great BUY NOW PAY LATER OFFER, loads of great pitch's to choose from and with caravan's starting from just £11995. You could be up and running within two weeks! This includes connections, insurance and even your pots, pans and cutlery too and there are no extra or hidden costs! FUNDING With regards to purchasing a chosen holiday home and means of payment there are more than enough options for our customers to choose from. The most common method is with one of our caravan flexible funding packages where just a 10% deposit will secure your chosen location and holiday home. We have four different funding providers available to choose from and two of those providers consider all customers where a chequered or bad credit history may be involved.
