The top of the range painted oak kitchen has stone floors with underfloor heating, solid oak worktops, a built-in washing machine, dishwasher, induction hob, double oven, microwave, tall fridge freezer and a small table and 2 chairs. Other Information There is off-road parking 20 meters away in John Dann Close, where there is dedicated parking for the cottages. The back garden remains private to the main house. Furniture is provided, but you will need to bring your own bedding, TV, crockery, cutlery, plates etc... Induction hob compatible pans can be provided if required. The annex has an interconnecting door (which remains locked) so as it is considered part of the main property, there is no separate charge for a TV license. There is an option to share BT Infinity Broadband with the main house (the cost would be £13 per month) to save you having to take out your own internet package. There is currently no landline in place for the annex. A deposit of £550 is required and rent is taken one month in advance. Two references required. No fixed rental period A very well behaved dog would be considered subject to an additional pet deposit.
