Stylish designed double futon with magazine rack arms made from plantation grown rubber wood. It has had occasional use in our spare room and the frame is solid and sturdy. It has three buttons missing (we have the buttons but not sure how to re-attach!) and a slight mark on one of the arm rests (as can be seen in the pictures). There are no stains or pulls on the mattress. Colour of seat/mattress is a browny colour (not dark brown!).

Closed measurements in mm: W2170, D920 and H820. Open measurements in mm: W1360, D1870 and H340.

You can see the exact new futon at Sofaworld, it's called Jasmin.

It does dismantle for easy transportation.

PRICED FOR QUICK.
