Do you want to be one of a group of 30 handpicked 'can do' hardworking entrepreneurs in the UK?

Do you want to be able to command your own territory and be master of your earning potential?

Do you want a business model flexible enough that affords you time with your family and friends and the good things in life?

Do you want to take 6 months of the year off?

Do you want a comfortable income that offers you the lifestyle you desire?

Do you love the idea of growing your own business on automatic pilot?

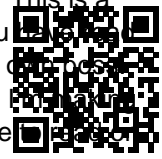

Do you like meeting people who will pay you up to four figures for working two days a week?

Do you want to draw a crowd of happy 'come again' customers mad for your services?

Do you have the patience and commitment to learn every aspect of a simple tried and tested business system? But this business is NOT, I repeat not for everyone. Only 30 individuals who have the will to run

This very rewarding business will have this incredibly unique system presented to them. Why? This is a huge business. Even if you give this away, you will not allow it to suffer. If you are not ready to take this, know you at least have the right to want your own select business and be your own boss. They are the sort of people who want more time and more freedom to do the things you want. If you have the right assumptions about a person, they will meet your needs absolutely. No pressure. I just hope I am right about you.

First I will tell you what it is not!	Online business	It's NOT trying to sell to friends or neighbours a bunch of products.	Online business	However, you and your family can benefit by your business experience and jump aboard. In fact save you can £££'s on weekend breaks should you choose to do just that.	Online business	It's not a franchise that you have to pay for years to come even after a huge investment, be it a scary	Online business
