This immaculate and super reliable Vespa GTS Super IE needs a new home. It's been garaged all summer, with only the odd trip to the garage to keep the tyre pressures at optimum. So, it's time it went to a new owner who will ride it and take good care of it. Registered in 2015, this Scooter is quick, maintains it's high range speeds well and starts really easily with it's electric starter. Starts first time! The GTS is automatic, with long gaps between major services. It uses unleaded petrol, so no messy 2-strike! It comes with service manual and both sets of keys. The tyres are hardly worn. Also included is quality gear oil and hub lubricant.

Presently fitted, are a tinted Vespa fly screen and a Vespa black rubber floor mat. There is also a, hard to come by, Faco combined backrest, and sprung rack. Please note: these 3 essential accessories are for sale, but are not included in the £3050 price!

Please don't waste time with low offers as the Scooter is spotless and barely run in. My mob. 07875 430001 07875 4300... (click to reveal full phone number) or email click to contact. This Vespa will go quick, so respond ASAP if you're really interested.

I look forward to hearing from you - Jonathan De'
