Free -dark red external door with the frame and a 5 lever lock (with 3 keys). The panels are security glass. We took the bottom panel out to fit a cat flap but it can easily be replaced as we kept the original glass panel. It's a bit grubby - lots of splashes of cement - so needs a bit of a clean up, but the wood is sound and I think the door is less than 10 years old. Collect from Bevendean before.
