Olvera - King of the Pueblos Blancos. From only 35€ per night.

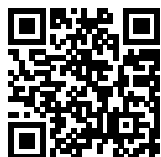

Set in the heart of the old town of Olvera, Casa Diminuta is a beautifully renovated Spanish town house available to rent long or short term. It's location makes it perfect to visit the majestic cities of Ronda, Jerez, Sevilla, Cordoba and Cadiz.

A great local attraction is the Via Verde, 36Kms of disused railway track which has been resurfaced to allow walkers, cyclists and horse riders to meander through olive groves, over viaducts and bridges through breath taking countryside. For the less energetic, wander through the numerous streets of Olvera, stroll up to the castle, or just chill in one of the many local bars or restaurants. For details and prices please.
