Casio CTK 2300 digital portable keyboard. Bought as son's first keyboard before upgrading to digital piano. Great first keyboard. Casio description: The CTK-2300 keyboard offers pure playing pleasure with 61 piano-style keys. Discover the instrument's numerous features: whether you want to dive into a colourful world of 150 rhythms, use the sampling function together with the five Voice Pads or connect a CD or MP3 player via the audio input so that you can play along with your favourite songs on the keyboard. The CTK-2300 provides a huge range of features and functions. And the step-up learning system makes it easy to hear the progress made in your playing skills. Five Voice Pads
48-Note Polyphony AHL Sound Source
400 Tones, 150 Rhythms, 10 Digital Reverb Effects & 110 Built-In Songs
Step Up Lesson System
Can be powered by batteries or with the included AC adapter This keyboard has notes stuck onto keys to help with learning but these can easily be removed.;
