Beautiful Italian Cherrywood Dining Room Suite Furniture for sale. This is used furniture which we are reluctantly selling due to a redesign of our living space. The set comprises of an extended dining table with eight chairs, sideboard with mirror and cabinet. The dimensions are as follows: Dining table fully extended - 230 cm without glass extension - 170 cm Sideboard 51cm wide x 189 cm length x 87cm height Mirror 75 cm x 140 cm Cabinet 99cm wide x 198 cm depth and 40 cm wide The table has a couple of scratches on the side which happened when we moved house these could be easily polished out. Apart from a small number of tiny imperfections the whole suite is in very good condition. The items are from a smoke free household and the buyer would be responsible for organising collection of the items. I would ideally like to sell all the items as a set but open to offers. The price quoted is for the full set of £1,500 ono original cost of set £6,000. Any questions please ask. ;
