Freestanding Slimline Dishwasher DSFS6831W A++ EcoSmart 8 programmes and 10 place settings capacity. In superb condition with no cosmetic damage. Purchased 1 year ago and performs excellently. For sale due to a recent move to a new build home with built in dishwasher. Features: Fully extendable easy load upper basket, the height of the upper basket can be adjusted to make room for larger items in the bottom basket. Removable Cutlery Basket. The plate supports can be folded to make room for larger dishes, pans and bowls, allowing for more effective loading. The quick programmes are great for when you're in a hurry and allow you the flexibility to wash a full load in 30 or 58 minutes, depending on the level of dirt on the dishes. The auto sense programme adjusts the washing parameters to the dirtiness of the load – saving you money by using the optimum amount of energy and water. The Half Load function is a perfect addition for those days when you don't have a large load of dishes to wash - it can help you save between 10-25% in energy and water consumption when washing half or smaller loads. The LCD display shows the programme selection and time remaining for each cycle, as well as the time delay. Salt and Rinse Aid Indicator Lights Low Noise Level Time Delay Function Dimensions: Height: 85cm / Width: 45cm / Depth: 59
