

Amazon Fire TV Stick + KODI 16.1 Jarvis with THE BEAST 1.6 latest Fire Stick build and Mobdro Show Box Fully Loaded This listing is for an Amazon Fire TV Stick installed with the latest KODI 16.1 Jarvis (XMBC) software that allows you to watch Live TV, Box Sets, Live Sports, 3D Movies and much more without any need for subscriptions. A recent customer quote:

"You are a GEM! I watched your video, tried the options and I am very, very happy. I cannot thank you enough for your help on this. With the BBC dropping F1 and having to pay £40 a month just to watch my sport you have given me the key to happy F1 viewing for 2016...

Thanks again,

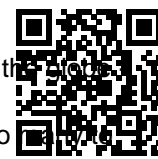

Bxxx.

one happy customer." The World of TV At Your Fingertips! Opens KODI directly from the Amazon TV Home screen via Apps or manually via Settings WOULD MAKE AN AWESOME PRESENT FOR ANY SPORTS/TV FAN IN YOUR FAMILY. BID NOW BEFORE ITS GONE! International sports channels that you wouldn't normally get in the UK pay-tv packages

International Sports events & pay per view sports/tv

Latest Movies as well as on demand search for iconic movies of the past. 3D Movies requires 3D TV and

Amazon Fire TV Stick with KODI for TV Shows, Movies and Sports Documentaries

Glasses

Kids channels

ADULT CONTENT - this can be added on request (if you do not request, you will get the kids safe version) this is fully portable between TV's within your house or elsewhere as long as it has HDMI and internet (good connection required due to large data files). Box contents; Brand New Fire TV Stick (only taken out to install KODI)

Amazon Fire TV Stick Remote Control

2 x AAA Batteries

HDMI cable

Power lead & 3-pin plug

Fire TV user manual Items are posted by first class recorded and you will be required to sign for the item or collect from your local collection centre. Now the small print (know what you're buying):

Channels and Add-ons are managed by external providers so I cannot guarantee these will work 100% all of the time (no-one can provide this guarantee)

Items are logged using specific ID numbers for security and prevent fraud

You will need good internet speed for this to work smoothly min. 5MB

You will also need good wifi connection since this only works via your home/mobile wifi

Items can be returned within 14 days for refund as long as they are unused and all software intact. Buyer pays return postage

Guarantee is invalid if any of the installed apps, software or contents are tampered with or un
