Are you in need of a home? Would you like your own privacy in a delightfully renovated, cosy Tudor cottage in the centre of Tewkesbury? Recently let out to holiday makers which proved to be a bit of a nightmare and then to a lovely school teacher who unfortunately is having to move away. It comes completely fully furnished as you would expect a holiday home to be. I would be happy to continue to pay all the bills (council tax, electricity, water, wifi, TV) at an additional cost of £200pm. There is free parking outside evenings and Sundays, otherwise it's just one hour and you need to park in the next street. I will be at the cottage from Tuesday 1st - Friday 5th November for viewings. I look forward to finding another lovely person/couple to look after and respect my beautiful cottage. Available from 6th
