

Fisher Price Loving Family Dolls House (50 GBP)

Location **South East, East Sussex**

A brilliant dolls house. My daughter played with this constantly and loved it from age 2. We are very sad to be selling it, but she has now outgrown it. The house folds up for easy storage. I am selling it complete with all furniture as shown. There are signs of aging on some of the pieces, consistent with age. The balcony door no longer attaches I,m afraid, But otherwise is in full working order. The furniture is very robust. A perfect Christmas.
