Used tested and working Black HDMI X box 360 elite console with white wireless controller , power mains lead and Power brick, all in working order. It recently has been updated on X box live, with no problem. It has no playing issues, and is ready to use. It has a 60 GB large capacity hard drive, not 20 gb, as top of the listing states. It has no storage issue, re-set to factory setting. It is clean and presentable condition. Buyer can call to see it working before buying . Sold as seen, any questions, please ask before buying. ;
