Polydactyl kittens - Cute kittens with thumbs/mittens - Very rare Available:

1 x Tabby Boy Polydactyl

2 x Black Girl Polydactyl

1 x Black Girl Normal Paws If you are interested:

1. Please tell us a bit about yourself

2. Please tell us a bit about your home

3. Please tell us the maximum you would be willing to pay.

Ideally we would like at least £200, but if you cannot afford £200, still let us know if you are interested, we will give the kitten to the right person/home. Please BOTH ring us and leave a message and email us. We will call back the people who we think are the most suitable.

We really want them to have nice homes and a nice life. Anyone that has a fully safe and secure garden enclosure or would be willing to build one, would have priority. Over the years I have had 3 cats run over by cars and I do not want to see that ever happen again. Both mum and dad are healthy and can be seen when collecting kitten. They are all very sweet, playful and friendly. ;
