MOONCIE STUDIO Want to make the best of your property? Thinking about an extension, conversion or new build? I am an Architect's Assistant and an Architectural designer at a reputable local firm of Architects in Brighton & Hove specialising in planning. I have a degree in Architecture and Design and over 15 years experience. In my free time I am available to offer freelance architectural services providing the preparation of planning applications for new builds, extensions and conversions and all other forms of planning related work, including measured surveys, throughout the South East. Drawings are all made to scale using computer aided design programs (AutoCAD). I offer a friendly and professional service with a free preliminary consultation and advice, including free hand feasibility sketches. Planning is my speciality, so leave me a message or drop me a line and I will call you back by the end of the day. I look forward to hearing from you. Kind regards Nathan Mooncie Architectural Designer BSc (Hons) Architecture & Design email: [email protected] [www.facebook.com/moonciestudio](http://www.facebook.com/moonciestudio) mobile:
