Cambridge weight plan is a mixture of meal replacement products and healthy food designed specifically for the programme to fulfil all your daily nutritional requirements. its is designed as a steps programme ranging from step 1 (sole source) -step 6 (maintenance). My job as your consultant is to be with you every step of the way throughout your journey to motivate,support,listen and much more. I will guide you with which step to start on and talk you through everything, I will only ever be a phone call/text away. * The weight lose can be instant and quite dramatic *If you stick to the plan you are almost guaranteed to be slimmer by the end and able to maintain your new weight. *The meal replacement products are all nutritionally balanced so you can be sure you are getting all the vitamins and minerals you need *A full range of products and flavours available *You get 1-2-1 support and a weigh in on a weekly basis with no charge and motivational texts throughout your journey *we can do this*
