Blue, The GSXR750 facelifted with the swoopier "M" model in 1991, the next big change was when an all-new liquid-cooled engine (in place of oil cooling) debuted in 1992 (the "W" referred to Water-cooling) resulting a more compact design and power up again to 118bhp at 11,500rpm. Otherwise, the headlamp cover became a lighter plastic rather than glass, there was a new five-sided aluminium frame with sandcast steering head section and revised braked and suspension, the double-cradle-framed GSXR was tough and durable. The bike will be serviced and come with 12 month's MOT. This bike has been imported from the Continent and will be UK registered on an age related number plate upon sale. The registration transfer paperwork can take 2 - 3 weeks depending on timescales from DVLA. The North West's finest family run motorcycle dealership, £3,495 no
