Silver, 1 owner, A little bit of everything. That's the way Honda wants you to think about its Forza scooter. For those not needing the heft and power of the Silver Wing, but still want to scoot about with a little more gusto than the PCX, the Forza is Honda's answer. Equipped with a 279cc liquid-cooled single and plenty of storage space, the Forza is the ideal commuter. This one has had one owner. The North West's finest family run motorcycle dealership, £3,995 p/x
