Black, MV AGUSTA F4 SPR 750 EVO 3, 126 BHP Number 191/300, This one comes with a complete trackset including all body-panels, sub-frames and sports exhaust etc. It was first registered in 2008 and has been used by a dutch importer as a demo/exhibition bike for 5 years. When launched the MV Agusta F4 750 was a match, handling-wise, for pretty much anything on the road – especially in the higher spec (read better suspended) S or SPR trim. The MV Agusta F4 750 is undeniably a mouth-wateringly styled, beautifully built and phenomenally able sports bike that is simply dripping in class and prestige, something that no mass produced Japanese rival will ever understand. The bike will be serviced and come with 12 monthâ€™s MOT. This bike has been imported from the Continent and will be UK registered on an age related number plate upon sale. The registration transfer paperwork can take 2 – 3 weeks depending on timescales from DVLA. The North Westâ€™s finest family run motorcycle dealership, £10,995 no
