Home based Beautician in Hailsham East Sussex. Currently a trainee studying for my NVQ in beauty therapy to then progress onto further courses to be able to offer more services in the future to all clients. As I am currently in training my treatments are at amazing discounted prices!

I currently offer treatments such as eyebrow/lash tinting, eyebrow shaping, eyelash extensions, basic facial, deep cleanse facial including skin diagnosis which will allow me to advice you on the best treatments for you to use depending on your skin type. I also offer manicures which include a relaxing arm and hand massage.

Over the year I shall be learning pedicures, waxing and makeup, once I have learned these I shall be offering treatments in those areas.
