Our lovely cocker spaniels Millie and Alfie have had two beautiful puppies, we have one little girl available. She is blue roan and adorable, they are 6 weeks old and can go to there forever homes on the 12th November. They have been brought up in a loving family environment with our two children. Both mum and dad can be seen. Pups have been fully vet checked and wormed and flea treated up to date. Pups will leave with puppy food and a blanket with mum, dad and other pups smell on. Ideally we would like the pups to be visited a few times before they go to there new home so they can get used to there new.
