Calling All Motorhome, Touring Caravan & Static Caravan Owners!!
 Are you trying to sell your motorhome? Touring Caravan or Static caravan?
 Does the weather depict whether you go on holiday or not?
 Are you sick of seeing your drive at home full up?
 Does the park your static caravan is on leave you feeling bored and uninspired?
 Are your site fees too high on your current site?
 Are you struggling to rent out your static caravan?

I imagine if you are still reading this, then one of the above applies to you.

Investing in a Touring caravan, motorhome or static caravan is designed to improve your leisure lifestyle for the better, so why are you letting yours drag you down? Why pay all the money in site fees if you are not happy there?

I have a few offers that could revamp your life and turn your unmotivated holidays into the ones you used to enjoy.

Firstly, did you know that you can move your static caravan to Thorness Bay? We can help with transport costs from your current park to ours. We will invite you down to have a look and make sure that Thorness Bay is right for you. You can pick a pitch and then we can get the ball moving. It couldn't be easier.

Secondly we can offer part exchange for your touring caravan or motorhome. Regardless of age and condition, we will give you a MINIMUM of £1500 in part exchange. Once again we would invite you to have a look around the park, make sure that it is right for you and your family and if you found a caravan that you absolutely fell in love with then we could give you a price with your touring caravan or

motorhome as part exchange. It is a really simple process.

We also make great reasons to move your business to us. They include:
